

# English Homework Y3/4

Remember to read your reading book and write in your diary at least 5 times and practise your spellings before your spelling test on Friday.

This week we have planning stories with a fantasy setting - a chocolate land! We have already written a short version which consisted of 5 sentences and included these things:

- Beginning (Who are the main characters? Where is it set?)
- Build up (How do the children find the chocolate land?)
- Climax/Problem (What is it like? They can't get home.)
- Resolution (How do they get home?)
- Ending (What happens at the end?)

Can you tell your story to someone at home, adding as much detail as you can. Don't forget to describe the chocolate land in the climax part of your story.

Then use the paper attached to have a go at writing your story. You could write 5 short sentences, or you could write a whole paragraph for each section. If you need some extra help, tell a grown up your sentences and ask them to write them down for you. This will be great practice for our writing in school.

We can't wait to read them after half term!
