Y3/4 English Homework

Remember to read your reading book and write in your diary at least 5 times and practise your spellings before your spelling test on Friday.

This week we have been writing descriptions of a setting from 'Stone Age Boy', trying to use imaginative vocabulary. Improve these sentences by adding an interesting adjective to each of the spaces. Remember to read it back and check it makes sense. Be as imaginative as you can and see if you can remember of any of the synonyms (different words with similar meanings) that we found in class.

There was a _____, _____ child, wearing
_____, _____ clothes.

A _____, _____ man was drinking water from
a _____ cup.

As I walked through the _____, _____ grass,
it moved gently in the _____ breeze.

Optional Challenge:

Can you now write your own sentence using more than one expanded noun phrase (adjective, adjective noun)?
