For each day that you are at home, pick 3 activities to do throughout the day. Some of them, like bug club, you can access on more than one day (highlighted with a ❄️. They are all 'snow day' themed.

You should also do these every day:

- Read for 15-30 minutes (If you don't have your school book, pick anything from home or on bug club)
- Log on to Times Table Rock Stars for 15 minutes
- Practise your spellings (They are on the website if you haven't got your homework sheet)
